Kindergarten Orientation

Gagetown School will be holding their annual Kindergarten Orientation on Friday May 31st from 1:30 -2:30 for children who will be starting Kindergarten in September.

Grade 8 Students

On Tuesday, May 7th our grade 8 class was visited by Mrs. Thomas, Guidance Counselor and 4 students from OHS. They introduced the class to the many aspects of their new school for September, showed a very enlightening video and answered questions. The visit was very informative. The Grade 8s will be going on a tour of OHS on May 22.

French Camp

Reminder to parents of students in grade 5. If your child is planning on attending the French Camp at Snider Mountain, you need to have the forms and money in to the school by Monday, May 27th.

NATURE CLUB NEWS

This week is Green Thumb Week! Join us outside at lunchtime recess for some gardening fun!
Tuesday: All ages can join us in the garden for a spring clean up, and to check out what is sprouting this spring!
Wednesday: K-2s can help plant flowers in the new planters in front of the main entrance
Thursday: 3-5s can help plant flowers under the Gagetown School sign.
Hope to see you there!

SOFTBALL REMINDER

Permission forms went home last week to those Middle School students interested in playing on a school softball team this spring. If your student didn't bring one home, encourage them to play...EVERYONE is a rookie on this team (we have never had a team before)! First practice is Tuesday May 14th at dismissal. Come on out!

Green Team Presentation

Gagetown School with the help of the Gagetown Home and School along with Nature Club helped us to purchase 3 new recycling containers. Our recycling team did a presentation to the classes to show the proper way to sort our garbage, compost and recyclables.

Notes from our students

Emily Grade 1: *This week at school was fantastic because we did special cards for our mothers for Mother's Day to show them how much we love them.*

Kyle Grade 1: *This week at school was exciting because we were trying to cover the area of our table and our chair with cards.*

Dawson Grade 1: *It was an awesome week because we got to listen to the recycling team talk about the recycling bins.*

Audrey Grade 2: *This week at school was wonderful because I find that math is easy. If it was 47+8, I would add 3 to 47 to make 50. Then I have 5 left to add to the 50. Then that would make 55. So 47+8=55.*

Our Leadership Team serving Nachos. Money raised from selling Nacho's goes to help purchase outdoor volleyball equipment.
